Authenticity Statement

Today's content was compiled from a collection of PDF files developed by Bernie Goldbach with updates supported by Fabric.so and Instapaper. AI was used to cross-check the accuracy of the information and to improve the accessibility of the material in this slide deck.

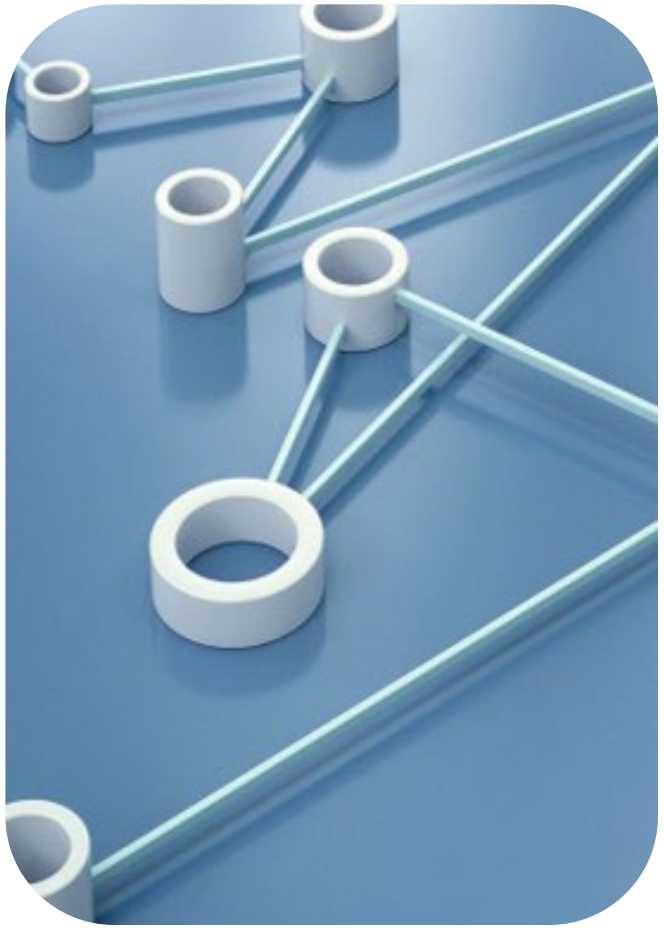
Today's Session



1. Entry level jobs affected by AI tools
2. Three Tools Explained
3. Four Tools Shared
4. Sneak Peek Inside Kunst Matrix
5. HANDS-ON: Use three AIs to examine RUNEUAI

CC-by-SA 4.0 #RUNEUAI Tools

1. Entry Level Jobs and AI

Entry Level Jobs and AI

Journalists in the Financial Times *Working It* series explain why entry-level jobs are disappearing due to AI, automation, and economic uncertainty.

CC-by-SA 4.0 #RUNEUAI Tools

How AI is reshaping the career ladder, and other trends in jobs and skills on Labour Day

Use Case

In your job you must be able to save actionable info. And you must be able to quickly locate business information.
